**Size:** 330 x 700 mm

**Price:** On request

<https://poligrafa.it/p/morgana-autocreaser-pro-33-cb/>

### Morgana AutoCreaser Pro 33

Controlled by the innovative 7" Smartscreen

The Morgana AutoCreaser Pro is the fastest model in class.

The Morgana AutoCreaser Pro 33 is a fully automatic suction-feeding creasing system designed for use with both conventional litho and digital printers.

The feed on the AutoCreaser Pro 33 can also be manually operated for use with heavy stock, very small or very large sheets, embossed or even irregular sheets.

The blade and anvil are mechanically controlled over their entire length

and can be adjusted to accommodate various weights of media.
